

## How do I request a schedule correction?

**Deadline: Tuesday, August 8 at 12:00 pm**

Welcome to the 2023-24 School year. Please follow this process for schedule corrections:

Review your schedule once you receive it.

If your schedule is incorrect, please fill out our schedule correction form at:

<https://forms.gle/6hxUuj4QP8TDvZyU8>

**You can also find it on the school counseling page of the Fruita 8/9 website**

Be aware that many of our classes are full as our enrollment continues to grow. We will try to meet your request, but this will be based on availability. Schedule corrections are not made once school begins so please be sure to do it now.

\*\*We are unable to swap the hours you take classes or make teacher changes. We are also unable to switch your lunch wave.\*\*
