Please answer the following questions on a separate page and attach it to this cover page. You may type them or neatly handwrite them.

1. What should we know about you that sets you apart from other school leaders?
2. F89 Student Senate & Yearbook classes are not structured like a typical academic classroom. This requires independence, integrity, and self-motivation. How do you think you will adapt to a class with more responsibility, and more freedom, but less structure?
3. In what ways do you consider yourself creative? Give specific examples.
4. Teamwork is essential to the F89 Leadership Program. Give us a specific example of how and when you have had to work with others even if you have had personality differences.
5. What other leadership position(s) have you held before? These can be school or non-school related activities, home-based, (i.e. 4-H, Scouts, Youth group, Athletic teams, etc.)
6. List other activities and/or commitments that you plan to be involved with next year.
7. Why are you interested in serving as a representative in the Fruita 8/9 Student Senate AND/OR Yearbook?
